

Rigid Core Planks – the ultimate waterproof solution

Premium, noise-reducing rigid core floors designed in Sweden with the look and feel of luxurious wooden floors. Incorporating the Liteback™ technology by Välinge Innovation, this range is ideal for a busy household: great sound-absorbent qualities, easy to clean and water-resistant, while more sustainable than other traditional options. Using 5G Dry™, simply click the panels into place with watertight joints ensuring no water leaks through the seams.

Up to **20% lighter**

Reduction in
CO₂ emissions

Waterproof with
leakproof floor-locking

More sound-
absorbent

Reduced sound
transmission

Extra-large planks

Faster to install
with 5G Dry™

EIR embossing for
a real wood feel

Rigid core is perfect for areas prone to moisture such as laundry rooms, entrances, basements and kitchens.

“ Our rigid core range is designed to stand up to the wear and tear of everyday life with a thicker wear layer and advanced anti-scratch lacquer. It's a stress-free flooring solution for a modern household that looks and feels like the most luxurious wood.”

Hannes Lindblom,
Head of Product
Management at Bjelin

REAL WOOD FEEL

Embossed In Register (EIR), matt gloss and micro bevel ensure a realistic wood design, and the wide and long format planks feature a range of colours based on European oak.

EMPOWERED BY LITEBACK™ TECHNOLOGY

By incorporating the more sustainable Liteback™ technology, developed by sister company Välinge Innovation, recyclable material is removed from the backside of the stone plastic composite (SPC) flooring panels. This makes the panels up to 20% lighter and easier to handle, while also creating a reduction of CO₂ emissions through reduced material consumption and transport efficiency.

EASY INSTALLATION

The leakproof 5G Dry™ floor locking system is well-known for providing an easy, fast and reliable installation. No tools or glue are needed – just click the pieces together, with no water leaking through the seams and damaging the subfloor.

A RANGE OF COLOURS

FROSTY WHITE

WARM WHITE

DRIFTWOOD

LIGHT NATURAL

WEATHERED GREY

SMOKED GREY

MEDIUM SMOKED

HARD SMOKED
